

Confidea CHT

Confidea Charging Tray

Description

The Confidea Charging Tray is a rack-mountable 3 U high container that can recharge 6 Confidea Battery Packs at once.

It has an auto-ranging power supply and a loop-through mains connector. A maximum of 4 chargers can be daisy-chained for 110 VAC regions and 8 for 220 VAC regions. It is designed for multiple mounting possibilities, having 19" rack, wall or table mounting capabilities.

Battery packs can be fully charged in 4 hours or quick charged to reach 50% capacity in 1 hour.

Features

- » Loop-through mains connector
- » 6 slots for 1 Confidea Battery Pack each
- » 19" rack mountable
